Re: Conditional Use Permit application, DRC2014-00123, Community Identification Sign

Dear Mr. Singewald:

On October 22, 2015, the Planning Commission held a public hearing on this application. The Commission voted to continue the agenda item until January 14, 2016.

This letter is to request that the continuation be postponed, ideally to a meeting in February or March. After further communication with the City of San Luis Obispo, SLOCOG is confident that the Commission's comments can be favorably addressed. The additional time is needed to for additional preliminary engineering necessary to make modifications to the existing plans, specifications, and estimate (PS&E), including those related to downscaling the sign's size and incorporating a sidewalk on Ferrini and Chorro Sts.

Thank you for your consideration.

Sincerely,
